

GraphQL + Lambda

BUILDING A SERVERLESS BACKEND

Søren Brammer Schmidt

- Based in Berlin/San Francisco

@sorenbs

- **@graphcool** (Serverless GraphQL Platform)

@sorenbs

- Love cutting-edge technology 🤖

Why GraphQL

- <http://swapi.co/>
- <http://graphql.org/swapi-graphql/>

Serverless Webshop

Add item to basket

data manipulation

Pay for items in basket

charge via stripe, reduce stock count, mark as paid

Inform fulfilment center, notify customer when shipped

Subscribe to basket updates, email customer

Data Model

Resources

Community 🙌

- Graphcool Slack (slack.graph.cool)
- GraphQL-Weekly
- github.com/chentsulin/awesome-graphql
- Industry report: mgboyd.com/graphql

Tutorials

- Learn GraphQL: learngraphql.org
- Learn Apollo: learnapollo.org
- Learn Relay: learnrelay.org

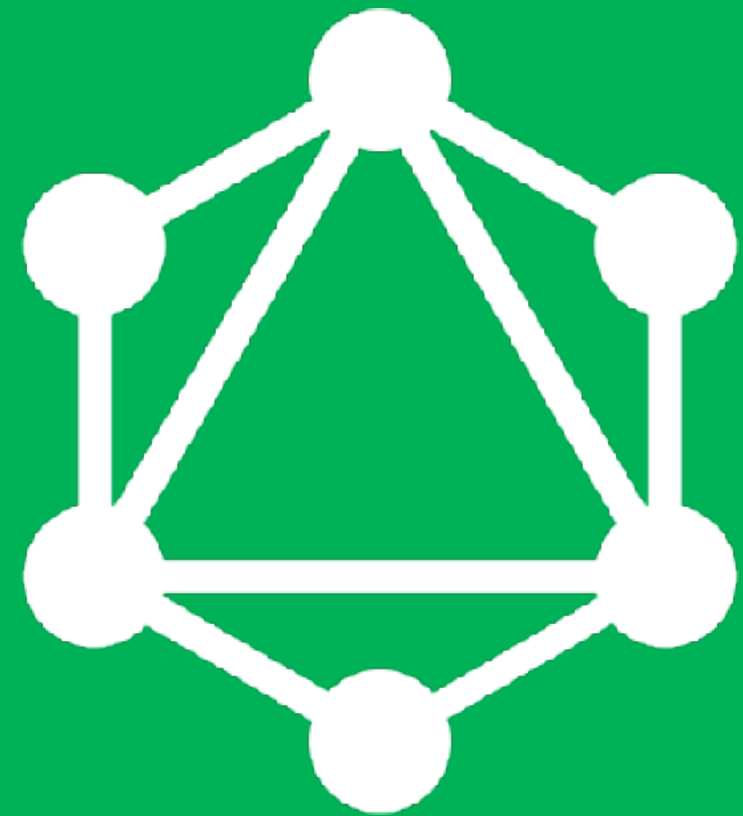

Meetups 🍺🍺

- GraphQL Berlin
- GraphQL London
- GraphQL Paris

GraphQL-Europe

- First GraphQL conference in Europe
- May 2017 in Berlin
- <https://graphql-europe.org/>
